Why We're Drinking It

One of our all-time fave "house" Champagnes here at Invino, now priced to drink daily! **FREE SHIPPING** on 4+ bottles!

100% Chardonnay, 100% immensely satisfying. At \$28, it seems too good to be true! Antoine Derigny is crafted by Bernard Remy. After working since 1996 under his father, his son, Rudy, took over in 2008 and has since expanded the business. Initially very small, with just a few vines of his own, the family business expanded at a steady clip. It is now comprised of 11 hectares in various locations which includes some highly reputed vineyards in the Grands Crus area of Mesnil-sur-Oger and in the Montagne de Reims area.

This should be called "The Freshmaker"!! Woohoo! Stone fruits for days! Yep, we're talking about peaches, nectarines, white plums...dry, zesty, and piquant, with minerally texture, roasted hazelnuts, and toasted bread notes. Clean, pure, bright and fresh! What else could you want? Not \$65. Not \$42. \$28! C'mon!

Fun fact: The pressure in a champagne bottle is 90 pounds per square inch. This is three times the amount of pressure than the tires on a car. While it lasts!
