2014 Revolveproduct-timed-pdf - Pinot Noir Russian River Valley - \$20 Off Russian River Pinot!

Why We're Drinking It

Was \$38! A brilliantly silky and fresh RRV pinot drinking at its peak. What a price!

Another terrific find normally found mostly in restaurants, we scored a few cases from Daniel Nice and Scott Spote -- the minds behind REVOLVE.

Indeed, this wine is silky, packed with raspberry, lavender, and the warm, round texture of Russian River pinot. Oh, and it drinks like something MUCH pricier. Don't let it go by....we only have about 22 cases for ALL of you! While it lasts!

Tasting Notes

This is a smooth and subtle Pinot, with strawberry, raspberry and a bit of lavender on the nose, yet tannins and a bit of acidity make their presence known on the palate. This wine perfectly highlights the textures and flavors that come from this small vineyard.
