2018 Delta (by Brick & Mortar) product-timed-pdf - Sauvignon Blanc | California - 90pts Wine Enthusiast Best Buy

Why We're Drinking It

90pts Wine Enthusiast Best Buy *With the goal of making wines for environmental change, owners Matthew and Alexis Iaconis donate $1 of every bottle of Delta sold to environmental groups that reduce carbon emissions and protect the ocean. This white is crisp and fresh—a delicious quaff of fig, peach and lemon rind, with a compelling, stony mineral edge, fermented entirely in stainless steel.*

Delta, meaning change, was born out of our desire to create a platform to make a difference in the fight to protect our planet. We partner with organizations dedicated to making a positive impact on the environment such as cleaning up our oceans and reducing CO2 emissions. We produce varietal wines blended from vineyards around California including Sonoma, Napa, Mendocino and the Central Coast.
--Alexis and Matt, Proprietors Brick & Mortar Wines

The Story to Know

From the Winery: *We donate $1 for every bottle of wine we sell to help the companies we partner with in their pursuits to make the world a better place, ensuring our planet continues to thrive for our children and generations to come.*

Surfrider Foundation Since its inception in 1984, the Surfrider Foundation has evolved into one of the largest non-profit grassroots organizations with a volunteer-activist network dedicated to its mission to protect and enjoy the world's oceans, waves and beaches.

Cool Effect Cool Effect was founded on the passionate belief that humans are causing climate change but humans are also solving it. The organization's mission is to help Americans understand what is contributing to carbon pollution while providing a way for anyone to reduce theirs.
