NV Remy Massin product-timed-pdf - Rose - \$65 to \$35?! Rose Champagne!!

Why We're Drinking It

Well, happy Monday indeed! We may be located in Napa, but we have access to the BEST family-owned Champagne producers, and this is one offer not to miss. Perfect for the holidays!

We've missed our yearly visits to the tiny village of Ville-sur-Arce in the Cote des Bar, where the Massin family has been tending vines since 1865. But luckily, we still get to drink their wines, and at our amazing price, this is an utterly superb bottle of the newest disgorgement of Rose. In fact, it's rare to see ANY bottling of Remy Massin outside of France!

Remy Massin created the brand in 1974. Now, joined by his children, Sylvere, who studied viticulture oenology, and Florence, who took charge of the administrative part of the business, the export and the shipment management. While this producer remains under-the-radar in the states, the bistros of Paris have long guzzled this incredible elixir. We at Invino are huge fans and you should be too!

At \$35?! Oh yes! FREE SHIPPING on 3+ bottles!

Wild strawberries, pressed rose petals, fresh and crunchy with excellent balance and acidity, finishing with some toastiness and cherry fruit. Long, minerally and simply impossible to put down! At this price? While it lasts!
