Ratings

Jeb Dunnuck, 97 points

"Even better, with remarkable purity, the 2016 Cabernet Sauvignon Jubilee is a thrill a minute and reveals a deep purple color as well as a huge perfume of black cherries, blackberries, graphite, and chocolate, with more and more floral and violet notes developing with time in the glass. Possessing a silky, expansive, layered texture, full body, awesome tannins, and again, thrilling purity of fruit. A blend of 96% Cabernet Sauvignon and 4% Cabernet Franc that was fermented and aged 22 months in 80% new French oak, the only downside here is that there are just 50 cases (two barrels) made."

Robert Parker's Wine Advocate, 95 points

"Blended of 96% Cabernet Sauvignon and 4% Cabernet Franc, the 2016 Cabernet Sauvignon Jubilee is very deep purple-black in color and is intensely scented of warm blackcurrants, blackberry compote and black plums with touches of fragrant soil, potpourri, cigar box and tapenade plus a waft of pencil shavings. Firm, full-bodied and built like a brick house, it has a solid, muscular black fruit profile and a long savory finish. 50 cases were made."

James Suckling, 94 points

"This is a dense and soft red with plum, chocolate and cedar character. Full-bodied, round and polished. Chewy and flavorful. Yet, it's polished and juicy. A big wine, but shows focus and seriousness. Drink or hold."

Vinous, 90 points

"The 2016 Cabernet Sauvignon Jubilee is another potent wine from Sunshine Valley. A touch of Cabernet Franc (4%) is enough to add lift and brightness to the intense, richly textured fruit, winemaker Jean Hoefliger coaxes from this site in Oak Knoll. Powerful and resonant in all of its multiple dimensions, the 2016 is a winner."
