2017 Hahn GSM product-timed-pdf - Santa Lucia Highlands, CA - 92pts Wine Enthusiast "Best Buy"

Why We're Drinking It

92pts Wine Enthusiast: *Best Buy! Freshly crushed blackberry, leafy herbs, charred meat and a hint of oak show on the nose of this value blend of 65% Grenache, 33% Syrah and 2% Mourvèdre. It's fresh on the palate in a black currant flavor yet savory in smoked meat, all framed by bright acidity and layered tannins.*

Inspired by the Rhône blends of Southern France, our GSM combines the character of each component into rich layers of flavors and textures. Bright, fruity Grenache grown in Arroyo Seco contributes raspberry, strawberry and cherry flavors, while Syrah from the Santa Lucia Highlands lends color, tannins and hints of blueberry and black pepper. A small amount of Mourvèdre contributes richness to the mid-palate and lengthens the dry finish.

Tasting Notes

Enticing aromas of strawberry, black cherry, white pepper and cinnamon. On the palate, notes of raspberry, a hint of cinnamon spice, along with strawberry and black cherry. Finishing with a smooth and luscious mouth feel.
